READY TO TRY FARMING?
Rogue Farm Corps’ Entry-level Farm Internship program is a great launching point for you to try farming for real! Gain significant experience training on a sustainable farm in Oregon.

The Internship is a full season (6-8 month) residential immersion program that combines hands-on field training with a mentor farmer, classroom learning, tours of local farms, and a farm-based independent project. No experience necessary. Learn more and apply today!

TAKE YOUR FARM TRAINING TO THE NEXT LEVEL
Are you ready to dig deeper and gain the skills needed to manage a farm or start one on your own? Rogue Farm Corps’ Apprenticeship Program will help you learn how to manage and run a sustainable agricultural operation.

The Apprenticeship is an immersive on-farm program for those with two or more years of farming experience who are seeking to dive into the art and business of farming. Hands-on training, classes, weekend workshops around the state, an independent project, and guidance on farm business development will help you gain the skills to plan, design, and run integrated farming systems on your own. Find out more and apply today!

Rogue Farm Corps is the only organization in Oregon that offers structured, entry-level and advanced farmer training programs rooted in real-world farm businesses. We work with host farms located in the Rogue Valley, the Portland Metro Area, the South Willamette Valley, and Central Oregon, offering experiences with vegetable production, animal husbandry, dairy, and more. For complete program descriptions, information on our host farms, and applications visit http://roguefarmcorps.org
